

## \* Quick table calculations

→ You can right click on the measure present in rows or columns ↓ & go to 'quick table calculation' or marks card

→ you can use different types of calculations such as moving total, difference, percent difference, percent of total, rank, percentile, etc.

eg:-

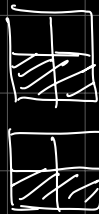

moving total

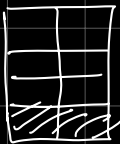

## \* Grand totals & subtotals

→ You can add grand totals & subtotals to the table. The option can be found in analytics tab. Just drag 'Totals' pill to the table

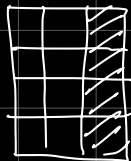

→ Three options to add the total

→ subtotals

→ column grand-total

→ row grand total

→ you can remove these grand totals &

subtotals by going to

Analysis → Total → Remove all  
subtotals
